AS A STREAM TEAM MEMBER, I PROMISE TO:

- ◇ Remember that I live in a watershed, and anything I do in that watershed can affect a stream positively or negatively.
- ◇ Learn all I can about Missouri streams.
- ◇ Engage in activities that promote and preserve the health of Missouri streams.
- ◇ Conduct myself in a professional manner so that my actions do not negatively affect my Stream Team, other Stream Teams or the Stream Team program as a whole.
- ◇ Consider the points of view of others on water resource issues, recognize that our state's waters serve many purposes, some of which may appear to conflict; and advocate for the health and values of Missouri streams based on good science and accurate data.
- ◇ Respect the property rights of private landowners and always ask permission before entering private land.
- ◇ Report my Stream Team activities so that my efforts can be included with all other Stream Team activities to show that we are making a difference locally and globally.
